Successful Lives

The Year 9 Vision...

At Stone Lodge we want our students to graduate with the capacity to make significant changes for the better within their local, national and global community.

Committed to study and to embrace the pursuit of study - whatever that looks like for each individual student.

Determined to succeed - overcoming obstacles and 'keeping going'.

Collaborative - children uplifting each other and create a community of people that work together.

Successful - achieving the dream and having high expectations because we know students can meet them

The Year of Choice...

Not just for GCSE options,
but in

- Friendships
- school behaviours
- the body changing

A difficult year but a year
to build on making the right
choice to lead to success.

Building the Foundation...

To make the right choices, we need to:

- Explore our strengths.
- Discover what our interests are.
- Have an open mind.

Therefore, this year is the year to lay foundations

- preparing for yr10
- getting to know what interests them.

This will result in the house building and being ready for year 10 'the furniture'!

The End of the Journey...

- Confident
- New interests
- Future planning
- Skilled

- Ready to start
KS4

The Support Network...

- Parent/s and Carers
- Extended Family
- Friends
- Head of Year
- Pastoral Manager

Our Values

Respect

We always give due regard to individual's rights and feelings, treating others as we wish to be treated.

Integrity

We are honest, with strong moral principles. We do the right thing, even when nobody is looking, or when the right thing is hard to do.

Determination

We don't give up on difficult tasks, as we believe that effort, rather than talent is the key to success.

Equality

We believe in more than just equal access. To us, equality means helping those that need it most to overcome barriers preventing their success.

Self-management

We develop individuals who take responsibility for effective use of their time, resources and behaviours, to help them reach their full potential.
