Dear Parents/Carers,

Re: Year 11 Mock Examinations – Monday 2nd February – Thursday 12th February 2026

Year 11 Mock Examinations will begin on **Monday 2nd February**. These assessments are an important milestone for students and will take place in a formal setting in the **Sports Hall**, mirroring the format and expectations of the GCSE exams they will sit in the summer.

A full **assessment schedule** is attached to this letter. When students are **not in an exam**, they will continue to attend **normal lessons** as per their regular timetable.

For students who receive **extra time** or other access arrangements, please note that some exams may run **into break or lunchtime**. In these cases, students will be given additional break time at the end of their exam to ensure they still have time to rest and eat before returning to lessons.

Students will receive their individual Examination Timetables on Monday 26th January with their seating arrangements to ensure students are clear where they will be conducting their assessments. There is a small number of students that have a timetable clash, and this will be indicated on their individual timetables.

Thank you for your continued support. Should you have any questions, please do not hesitate to contact the Year 11 team.

Yours sincerely,
Mr M Naylor
Deputy Headteacher
