We use Unifrog to record all Year 10 work experience placements, which begin on Monday 11th May. A letter was sent to parents back in October/November 2025 to support them in submitting employer information.

So far, we have 104 placements already logged on Unifrog, which is an excellent start. There are 41 placements still to be added, so please ensure these are uploaded as soon as possible.

If you experience any issues, please contact sdunne@stonelodgeschool.co.uk in the first instance.
