Can You Get Involved in Careers Events at Stone Lodge School?

We are keen to work with businesses and individuals who can help our students learn more about careers, employment, and the world of work. Throughout the year, we run a variety of events that rely on your support, including Careers Insight Days, Careers Assemblies, and mock interviews.

By getting involved, you can help shape the next generation of professionals and potentially support your own organisation's future recruitment.

If you are interested in taking part or would like to find out more, please contact: sdunne@stonelodgeschool.co.uk

Unifrog

What to do over the summer with Unifrog?

Complete the following Quizzes:

Interest and Personality Quiz - Learn more about yourself and explore the careers commonly associated with your closest personality types

Work experience quiz – tell Unifrog how happy you think it would make you feel doing the activities. It doesn't matter if you have never done it before — just choose the answer that best matches how you think you would feel.

Skills quiz – Tell Unifrog about how confident and capable you feel doing each task. It doesn't matter whether you enjoy the activity or not. Just think about how easy or difficult it would be for you.

Once complete head over to 'search careers library' and find your closest matches!

Preparing for Next Year

For Current Year 9 Students and Parents:

Work Experience will take place in April/May 2027 (date to be confirmed soon). It's important to start planning now, as finding a suitable placement can take time.

We appreciate that securing a placement can be challenging. To support students, we recommend the following approaches:

- Asking friends and family if they know of an employer who may be able to offer a placement
- Approaching local businesses within the community
- Using professional networking platforms, such as LinkedIn, to identify and contact potential employers
